

Link OSM to Blackdown Portal

It is up to the Group Lead Volunteer to approve your weekly programme, but the District would need to know when you are meeting away from your usual meeting location.

This can now easily be done by sharing access to your OSM section with the district portal:

<https://portal.blackdownscouts.org.uk/osm/>

You will no longer need to email across your term programme to the DLV (DC) (or even when you change plans last minute) as long as you keep OSM up to date (by 3pm that day) and have appropriate location details in the Summary.

How to:

1. Go to <https://portal.blackdownscouts.org.uk/osm/>

OSM - Link Sections

By logging into OSM from this page, you will be giving Blackdown Scout District read access to your Programme, Event and Badge details. We will not have access to any any other areas, including member and financial records.

The links will remain active as long as you have access in OSM, you can remove the link at any time, either by logging in again bellow or from inside OSM (Settings -> My Account Details -> External Applications)

 Log in via OSM

2. Click the 'Log in via OSM' button.

Log in to **Blackdown Portal** with your OSM credentials.

andy.milsted@blackdownscouts.org.uk

Password 

LOG IN

[Forgotten password](#)

Blackdown Portal will receive your full name, email address, profile image and the following access to your sections:

- Programme - Read only access
- Events - Read only access
- Badges - Read only access

3. Select which sections you would like to share (it will only show sections you have read access Programme, Events, Badges)

Blackdown Portal 

OSM - Link Sections

Please select which sections you would like to link with the district.

Blackdown District Expedition Team

- Ten Tors

Blackdown Scout District

- DofE
- Phoenix Explorers
- Griffin Explorers - Tuesday
- Network
- Dragon Explorers - Thursday night
- Wyvern Explorers
- District Events
- Young Leaders
- Apache Explorers
- Gurt Wyrn Explorers

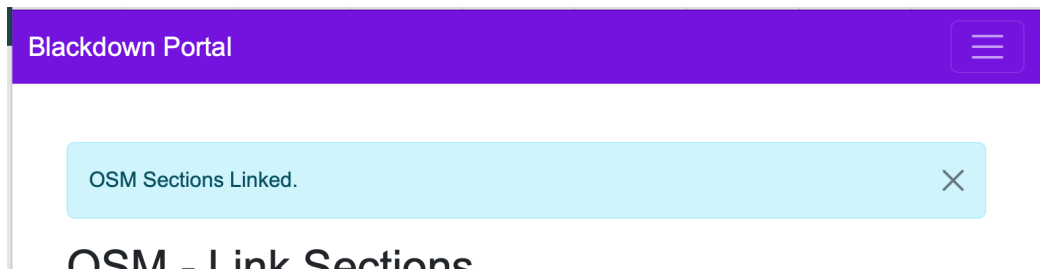

Trull

- Blackdown Explorers - Spartans

By linking your sections with Blackdown District, you agree to keep your programme up to date. By doing so will mean you will no longer need to inform the District Lead Volunteer about activities and meetings happening outside of the usual meeting place. You will still need to get permission for permitted activities and nights away.

[Link Sections](#)

4. Then click the 'Link Sections' button.

5. You're done, get back to planning an awesome programme, as long as you now keep OSM up to date you do not have email the DLV every term with your programme or when you go out and about.

Remember

Some Activities and Nights Away still need notification and approval, for more info check out <https://www.blackdownscouts.org.uk/members>
